Volunteers will have access to digital resources, including online platforms and informational materials. These resources are provided for official use only and should not be used for personal matters. Volunteers must respect cybersecurity best practices, including safeguarding login credentials, avoiding phishing scams, and keeping sensitive documents secure.

Misuse of digital tools, including unauthorized access to restricted files, may lead to immediate revocation of access privileges. Volunteers should also practice responsible use of digital resources to ensure efficiency and security.

All information provided in this letter is from the opinion of Commissioner Rylee Peak and does not represent the views of any other government, business, person, or entity. This letter was produced by Commissioner Peak. This letter does not represent an official publication of the City of Moreno Valley or any other related entity.
